Nathan Lynch B00166142

Absent Members

Luke Doulgas B00162081

Roles to be taken this week

Favour: Filling Database and adding images to the database

Luke:

Nathan: Scrum

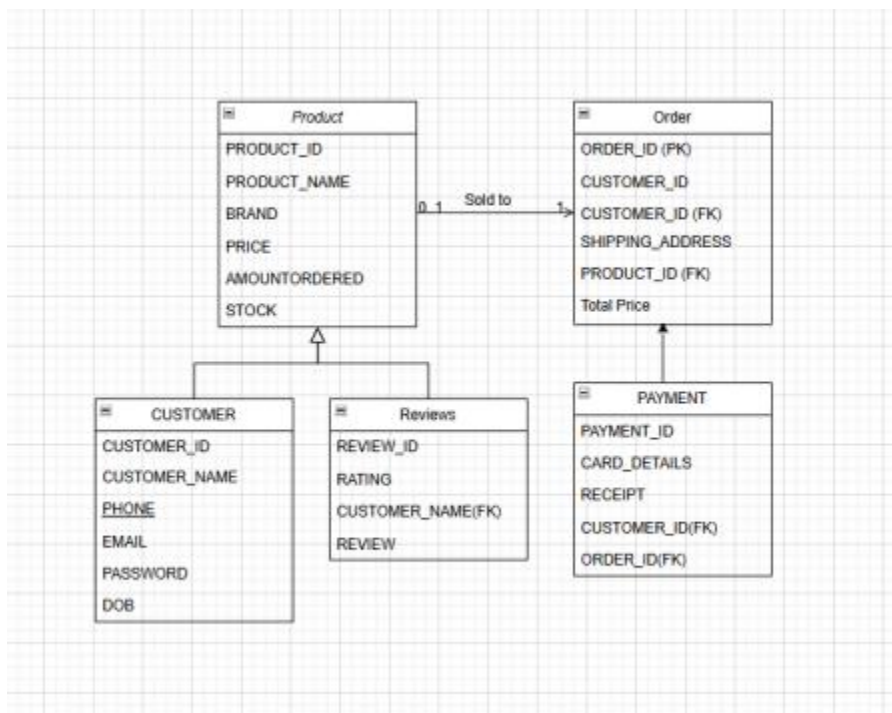

Weekly Project Update

We have filled our Tables in our database with the necessary information. Done our Conceptual case Diagram.

Project plans for next phase

We will be putting everything from our database Tables into our website with design, we will also be adding images into our database for our project as we could not get it done This week.
